REMARKS/ARGUMENTS

Claims 31-44 have been cancelled. In the Office Action it was indicated that claims 10-16 and 19-20 were deemed allowable, along with claims 21-23, which were indicated to be allowed. However, it is noted that dependent claim 26 was not indicated to be allowable yet it was not rejected on any basis. Accordingly, it is respectfully submitted that this dependent claim is also in condition for allowance.

Also, the above amendment has amended allowed claim 13 to correct an antecedent basis issue with regard to "an address multiplexer output."

In view of these remarks, the application is now in condition for allowance and the Examiner's prompt action in accordance therewith is respectfully requested. The Commissioner is authorized to charge any additional fees or credit any overpayment to Deposit Account No. 20-1504.

Respectfully submitted,

Date: 1/22/07
